- In the absence of a Healthy Heart Score, discounts will be based on a Red Healthy Heart Score.
- Active Dayz™ will be averaged over a six month period from January to June and again in July to December. However, to start the process your January 2017 discount will be calculated using only your two highest months of activity between 1 July 2016 and 31 December 2016.

Members require a Healthy Heart Score and the relevant number of Active Dayz™ to obtain a certain level of HealthReturns.
